ALL 18 Sizes Have All These Features

EASY TO PROGRAM - All 18 sizes come with our exclusive wireless remote control qwerty keyboard. It is bigger, better and more advanced than other LED sign remote controls. It is very easy to operate. You can write and store hundreds of different rotating messages from up to 150 feet away. You can choose from hundreds of built-in moving animated images. Change the scroll speed faster, slower, still, changing or flashing. They can scroll left, right, up, or down. The sign has all the software built-in and you use the wireless remote control keyboard to program it. There is no need for a computer or the Internet. We do offer computer programming as an available option. Ask our experts for more information.

MULTICOLOR AND CUSTOMIZABLE - Our LED signs have many stored images and font styles to choose from. All 18 sizes are multicolor with 256 shades and gradients of red, green and yellow. They display 1 and 2 line messages. They can display up to 4 lines at a time on 36" high sizes. They can be displayed vertically and horizontally. They have date and time functions. They have a wide assortment of animated backgrounds including the American flag. There are built-in special effects with many variations. They include multiple 3D effects, scroll, reverse, pause, dividing, erasing, neon borders, rotating, flashing, adjustable width, animation, enlarge, reduce, by color, pattern, laser and more.

TOP QUALITY AND WEATHERPROOF - We are constantly improving the quality and performance of our products. All 18 sizes are completely weatherproof for outdoor and indoor advertising. They are very durable, lightweight and only 3 inches thick. The all aluminum frame is only 1 inch wide, which makes almost the entire sign a lighted display. A thick silicone coating protects it from moisture and heavy rain. They operate in temperatures of -40° to +140°.

SUPER BRIGHT AND CLEAR - Our LED signs attract customers to any type of business. Each sign contains thousands of LED lights. All 18 sizes have extremely bright moving messages, images and effects. They're around 10 times brighter than modern day flat screen televisions. They have 10 levels of adjustable brightness. They can be seen from a much greater distance than conventional signs. They're sharp and clear from up close and very far away.

BRAND NEW TECHNOLOGY - Our signs are better, brighter and have more features than other LED signs. Low energy consumption saves up to 90% in energy costs so you can advertise 24 hours a day. They only use as much power as 1 or 2 normal light bulbs. They're completely silent. We use high performance LED modules and the highest grade Meanwell power supply. They are easily programmed with the included wireless remote control qwerty keyboard. We can build you a custom sign if you have particular requirements that you do not see on this website. Just call 888-885-7740.

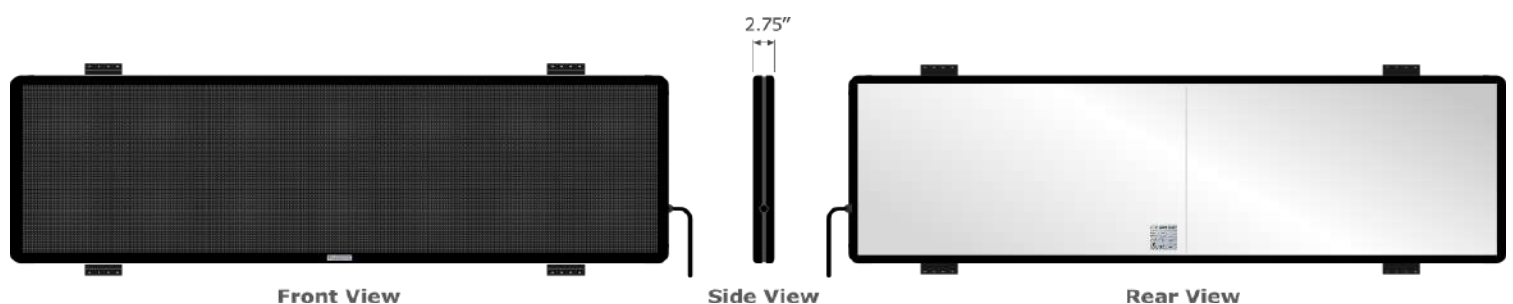

USA AND CANADA CERTIFICATIONS - All 18 sizes of our LED signs are Made in the USA with domestic and foreign parts. Our LED signs are built to a much higher standard than other LED signs. They are FCC Compliant, UL Compliant, CSA Compliant and Metlab Certified. They come with a proof of certification label with a corresponding serial number which helps to verify that your sign is safe and meets local requirements. They are completely weatherproof with a sliding back panel that enables you to look inside. They have new advanced features. They are vastly superior to other LED signs available on the Internet.

FREE 3 YEAR WARRANTY - Our signs are built to last. You can leave them on 24 hours a day 7 days a week and they will work great for more than 11 years maintenance free. We have the best warranty in the industry. It covers all parts and factory labor for 3 years. We have free lifetime telephone technical and programming support. All 18 sizes are Made in the USA with domestic and foreign parts. They are built with strict quality control and superior craftsmanship. They are inspected and completely tested before delivery to our customers.

EASY TO INSTALL - All 18 sizes come fully assembled and ready to go with everything you need. They are lightweight and weatherproof. An instruction manual, brackets and a wireless remote control keyboard are included. You can attach the brackets to the top and the bottom of the sign. Hang it yourself or use a handyman. It plugs in a regular 110 volt electric outlet. Order 2 LED signs to display on both sides of a pole or a monument. Order them as main and secondary if you want to connect them to display the same information on both signs.

Our LED Signs Attract Customers and Increase Sales

Illuminate your business with a TV Liquidator LED Sign to attract thousands of potential customers. They boost sales with dynamic messages and images around the clock. It's a great investment that never stops making you money. Studies show that LED (Light Emitting Diode) signs consistently outperform traditional advertising, leading to substantial sales growth. These eye-catching digital signs prompt customer action and are memorable. With the potential of thousands of passing vehicles daily, even a fraction of this traffic can significantly enhance your sales. Our satisfied customers across North America can attest to their effectiveness.

TV Liquidator is the Best LED Sign Supplier

LOW WHOLESALE PRICES - We are able to offer the lowest prices on brand new high quality LED signs because of our massive sales volume. We sell thousands of signs to thousands of organizations. We're also a major supplier to over a thousand sign companies across the USA and Canada. They sell our signs for almost double our prices. American Flag Gift There are many companies that sell lower quality signs and their prices are much higher than ours. You'll save money when you order a sign directly from us and have a handyman install it. We do not charge sales tax for customers outside of California and shipping is free. The low wholesale prices that are shown on this website are the total prices.

FREE SHIPPING IN THE USA - We are a proud American company. Our corporate offices, showroom, manufacturing and shipping facilities are located in Los Angeles, California. We also manufacture and ship from Dallas, Texas. We are one of the only digital signage companies that crate and ship for free to anywhere in the United States. Most companies will charge you between \$200.00 to \$1000.00 per sign to crate and ship depending on the size, because that's what it really costs. We do it all for free and offer the lowest prices on LED signs. We keep a huge inventory of LED signs. Everything is in stock and ready to ship in 1 or 2 business days.

BEST CUSTOMER SERVICE - Call 888-885-7740 or email info@tvliquidator.com. We take all orders over the phone so we can make sure our customers are satisfied and get exactly what they need. You can pay by credit card, debit card, Paypal or check. For speed and convenience you can just email a picture of your completed check without having to mail it. Our team of digital signage experts are also computer technicians. They are the best in the business. They can answer all of your questions. We have free lifetime telephone technical support. We want to help you improve your business. We take care of our customers.

TRUSTED INDUSTRY LEADER - No other company can match our quality, price, service and expertise. That's why we are the only reputable digital signage company that posts prices on our website. Some companies will quote prices based on the sound of your voice. There are many unreliable companies that sell inferior products that do not meet local requirements. We are always making upgrades to our products. We strive for perfection. They're getting better all the time. Every day we ship LED signs to every type of business and all kinds of government locations throughout North America. They trust and depend on us.

Thousands of Happy Customers

Our customers are large corporations, small businesses and government agencies. They include thousands of stores, hotels, churches, schools and all types of businesses. We also sell thousands of signs to sign retailers. Our LED digital display signs increase revenues in every industry.
