Our Kiosks Have All the Latest Features

BUILT-IN COMPUTER - These brand new kiosks are complete first class computers with a Windows OS Logo Windows 10 Pro operating system. They are fully touch screen with an interactive touch screen keyboard. They have a 1080p high definition LG Logo monitor with tempered glass. Connects easily to a printer, scanner and other network devices.

LIKE A GIANT TABLET - Our touch screen kiosks work like a giant wireless smart phone and tablet. They can be displayed in portrait and landscape. Your employees and customers can use the interactive display screen to browse your website and surf the Internet. It has WiFi, 2 USB ports, 8GB Ram and an Intel Logo Intel HD display card. Highest quality components with CE-lvd and FCC certifications. 2 stylus pens are included for people who don't want to touch the screen.

IMPROVES YOUR BUSINESS - They help to increase sales and enhance the image of any type of business. Both the floor standing touch screen display and the wall mount version look beautiful in any showroom, office or lobby. Advertise your additional products and services. Use it like a video jukebox. Download music or play YouTube. Create product slide shows with music. It has 2 built-in high quality stereo speakers.

WAYFINDING - Help your patrons move seamlessly around your space by adding wayfinding software to one of our kiosks. It's a great way to serve your audience while giving your event an elevated look. From showrooms to conventions, our kiosks will make navigating your space simple and more efficient.

MENUS - Upgrade your restaurant today with an interactive digital menu board. Add it to your network and create an ordering kiosk that takes credit card payments and sends orders straight to the kitchen. Your customers and employees will appreciate how our kiosks assist in creating a smooth ordering process.

COMES READY TO GO - Just take it out of the crate, plug it in and turn it on. It's fun and easy to use for employees and customers. Very slim profile with mild steel and aluminum edge. They're extremely durable for high traffic areas. Plug it into any regular 110 volt electric outlet. The wall mount models include all mounting hardware. The floor standing models come with the base. You can use the wooden crate that it comes in to safely transport the kiosk to trade shows.

FREE 1 YEAR WARRANTY - Has a free full 1 year warranty. Every kiosk is built with strict quality control and top tier craftsmanship. They are inspected and completely tested before delivery to our customers. Free lifetime telephone technical support at 888-885-7740.

TV Liquidator is the Best LED Sign Supplier

LOW WHOLESALE PRICES - We are able to offer the lowest prices on brand new top of the line touch screen computer kiosks because of our massive sales volume. Businesses and organizations that place orders and recommend us are growing by the thousands. We're also a major supplier to over a thousand sign companies and Internet retailers across the USA and Canada. They sell our kiosks for almost double our prices. You'll save money by ordering a kiosk directly from us. We do not charge sales tax for customers outside of California and shipping is free. So the low wholesale prices that are shown on this website are the total prices.

FREE SHIPPING IN THE USA - We are a proud American company. Our corporate offices, showroom, manufacturing and shipping facilities are located in Los Angeles, California. We are one of the only digital signage companies that crate and ship for free to anywhere in the United States. Most companies will charge you \$500.00 to crate and ship a heavy duty Kiosk, because that's what it really costs. We crate and safely ship each of them to you for free. We keep a huge inventory of Touch Screen Computer Kiosks. All sizes are in stock and ready to ship in 1 or 2 business days.

BEST CUSTOMER SERVICE - Call 888-885-7740 or email info@tvliquidator.com. We take all orders over the phone so we can make sure our customers are satisfied and get exactly what they need. You can pay by credit card, debit card, Paypal or check. For speed and convenience you can just email a picture of your completed check without having to mail it. Our team of digital signage experts are also computer technicians. They are the best in the business. They can answer all of your questions. We have free lifetime telephone technical support. We want to help you improve your business. We take care of our customers.

TRUSTED INDUSTRY LEADER - No other company can match our quality, price, service and expertise. That's why we are the only reputable digital signage company that posts prices on our website. Some companies will quote prices based on the sound of your voice. There are many unreliable companies that sell inferior products with little or no support. We are always making upgrades to our products. We strive for perfection. They're getting better all the time. Everyday we ship kiosks to all types of businesses, government locations and military contractors throughout North America. They trust and depend on us.

Thousands of Happy Customers

You see our LED signs everyday and everywhere. Our customers are large corporations, small businesses and government agencies. They include thousands of stores, hotels, churches, schools and all types of businesses. They are pleased with our products and service. Our new state of the art monument LED signs are very effective for any company in any industry.

Touch Screen Computer Kiosks Can Increase Sales

Boost sales and modernize your business with Touch Screen Computer Kiosks. National brands like McDonald's find that these kiosks often lead to increased orders compared to traditional assistance. These wireless kiosks not only drive sales but also elevate your company's image, serving as elite advertising tools. The intuitive touch screen interface enhances the browsing experience, allowing customers to explore products effortlessly. Utilize the kiosks to showcase your website, share exclusive offerings, and create engaging slideshows or video jukeboxes with built-in stereo speakers. The large touch screen keyboard simplifies content input. Beyond sales, these kiosks streamline various tasks like purchasing, job applications, credit processing, and managing gift registries, offering versatile benefits for your business.

Touch Screen Computer Kiosks excel in various industries, including retail, hospitality, government, healthcare, education, entertainment, transportation, churches, museums, conventions and more.
